It's frustrating to go from one bank to another and not get the answers you need. This workshop will explain your options and help you get that loan! And it will teach you the secrets of preserving your earnings through smart tax planning.

Part I Getting the Money – Show me the cash!

- ◆ Why is a business plan essential to secure financing?
- ◆ What does a successful loan package require?
- ◆ What alternative financing is there and how do I find it? (*micro loans, venture capital, angel investors and friends and family*)
- ◆ What about real estate loans?
- ◆ How much cash do I need to start and run a business?
- ◆ How do I finance growth?

A LIGHT BUFFET LUNCH IS INCLUDED

Part II Keeping the Profits – Tax planning is essential.

- ◆ How do taxes affect my business decisions?
- ◆ What impact do taxes have on my cash flow when growing my business?
- ◆ How does knowing the rules save me money?
- ◆ Are there tax breaks associated with the new stimulus packages?
- ◆ Should I keep my books on a cash or accrual basis?
- ◆ When should the worker I need be an employee and when an independent contractor?
- ◆ What are the ins and outs of filing income, sales and payroll taxes?
